

MEMORANDUM FOR: **THE DIRECTOR**

The attached recommends your approval of Legislative Counsel appearing before a House Post Office and Civil Service Subcommittee to respond to questions concerning H. R. 5007 as it proposes to amend the CIA Act of 1949.

The Committee staff has been most helpful and has accepted many of our suggestions for perfecting language. At this point it would be most difficult to refuse their request for an Agency representative.

s/ John S. Warner
